As the COVID-19 pandemic has impacted many individuals, industries and the economy, lenders remain obligated to close loans to borrowers who have the ability to meet their loan obligations post-closing. As part of our effort to support sustainable home ownership and address COVID-19 implications, we are requesting the following attestations from you prior to closing your loan:

1. The income documentation you submitted for qualification purposes is unchanged and not affected by COVID-19;
2. You are not currently in forbearance due to COVID-19 or other circumstances on any other loan obligation;
3. You are not aware of any future changes in your employment status and or income that will affect your ability to make your mortgage payments; and
4. You do not have any intention to seek a forbearance from payments that will be due on your loan, and you are not aware of any potential adverse changes to your financial condition that could lead you to request a forbearance.
