RE: Petition for H1-B Nonimmigrant Worker

Dear Sir/Madam:

HCL America, Inc. (HCLA) has entered into a service agreement with Boeing Distribution Services Inc. to provide Software Development Consulting Services for the period of 24-May-2021 to 31-Oct-2024. We would like to confirm that HCLA will assign the following employee to work on this project at our facilities at 3760 W. 108th St, Miami FL 33018 USA

- Name: Naga Venkata Someswara Rao Gonaboyina

Mr. Naga Venkata Someswara Rao Gonaboyina performs the following tasks and works approximately 40 hours per week in the role of Technical Lead.

- Gathering technical specifications, writing requirements, implementing documents and assist with issue resolution.
- Provide estimation to new interfaces and work on design and development within Client architecture framework as and when required/requested by new vendors/customers.
- Worked with Operation, IT Production Support and IT Client Implementation teams to understand requirements so that the correct solution can be implemented.
- Conducting Unit Testing, Integration Testing and UAT.
- Works on the root cause analysis to find the cause of the issue and moves to the developer.
- Deploys the new changes into the production.
- Works on the root cause analysis to get the solution of the recurring occurrence of the issue.
- Works on the new and existing reports for the better analysis of the business work and flow.

The technical environment includes:

- SQL Developer, Oracle, Putty, Service Now, Notepad ++, Beyond Compare, Visual studio

This position of a Technical Lead requires the individual to have a minimum of a bachelor's degree in the field of Computer Science, Information Technology, or other related field of study.

HCLA has assured us that its employees are properly qualified to perform these services, and have the experience and knowledge that is required to complete this project. HCLA has confirmed that its employees will work 40 hours a week for the duration of his/her assignment.

All employees of HCLA shall remain under the supervision and control of HCLA at all times, and HCLA shall be responsible for directly the manager and means of work performed by its employees. HCLA has indicated to us that its employees will be reporting to the Onsite Manager, Rajee Kannan

Boeing Distribution Services Inc.
3760 W. 108th Street
Miami, FL 33018 USA

(HCL America Inc) who will be responsible for all the activities of HCLA's employees during the period of this assignment.

We therefore request you to provide the necessary work authorization for HCLA's employees. If you have any further questions, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ashish M. Patel'.
