Receipt Number EAC1814352646		Case Type I129 - PETITION FOR A NONIMMIGRANT WORKER
Received Date 04/12/2018	Priority Date	Petitioner SUMMITWORKS TECHNOLOGIES INC,
Notice Date 09/26/2018	Page 1 of 2	Beneficiary A118 288 550 GONABOYINA, NAGA VENKATA SOMER
SUMMITWORKS TECHNOLOGIES INC c/o THOMAS V ALLEN ESQ LAW OFFICES OF THOMAS V ALLEN PLLC PO BOX 328 FORDS NJ 08863		Notice Type: Approval Notice Class: H1B Valid from 10/01/2018 to 08/14/2021

The above petition and change of status have been approved. The status of the named foreign worker(s) in this classification is valid as indicated above. The foreign worker(s) can work for the petitioner, but only as detailed in the petition and for the period authorized. Changes in employment or training may require you to file a new Form I-129 petition. Since this employment or training authorization stems from the filing of this petition, separate employment or training authorization documentation is not required. The I-94 attached below may contain a grace period of up to 10 days before, and up to 10 days after the petition validity period for the following classifications: CW-1, E-1, E-2, E-3, H-1B, H-2B, H-3, L-1A, L-1B, O-1, O-2, P-1, P-2, P-3, TN-1, and TN-2. H-2A nonimmigrants may contain a grace period of up to one week before and 30 days after the petition validity period. The grace period is a period of authorized stay but does not provide the beneficiary authorization to work beyond the petition validity period. The decision to grant a grace period and the length of the granted grace period is discretionary, final and cannot be contested on motion or appeal. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the worker. He or she should keep the right part with his or her Form I-94, *Arrival-Departure Record*. The I-94 portion should be given to the U.S. Customs and Border Protection when he or she leaves the United States. The left part is for his or her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new classification before returning. The left part can be used in applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry in this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, *Application for Action on an Approved Application or Petition*, to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

The above petition and accompanying request for an extension of stay have been approved. The status of the named beneficiary(ies) in this classification is valid as indicated on the I-94 attached below. The beneficiary(ies) can work for the petitioner pursuant to this approval notice, but only as detailed in the petition and during the petition validity period indicated above, unless otherwise authorized by law. Changes in employment or training may require you to file a new Form I-129, Petition for a Nonimmigrant Worker.

The dates in the I-94 attached below might not be for the same dates as the petition validity dates above because the I-94 below may contain a grace period of up to 10 days before and up to 10 days after the petition validity period for the following classifications: CW-1, E-1, E-2, E-3, H-1B, H-2B, H-3, L-1A, L-1B, O-1, O-2, P-1, P-1S, P-2, P-2S, P-3, P-3S, TN-1, and TN-2. An I-94 for H-2A nonimmigrants may contain a grace period of up to one week before and 30 days after the petition validity period. However, the beneficiary(ies) may not work during such grace periods, unless otherwise authorized by law. The decision to grant a grace period and the length of the granted grace period is discretionary, final, and cannot be contested on motion or appeal. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the beneficiary(ies). The beneficiary(ies) should keep the right part (the I-94 portion) with their other Forms I-94, Arrival-Departure Record. The I-94 portion should be given to the U.S. Customs and Border Protection when they leave the United States. The left part is for their records. A person granted an extension of stay who leaves the U.S. and is not visa-exempt must normally obtain a new visa before returning. The left part can be used when applying for the new visa. If a visa is not required, they should present it, along with any other required documentation, when applying for reentry based on this approval notice at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, Application for Action on an Approved Application or Petition, to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this petition does not guarantee that the beneficiary(ies) will be found to be eligible for a visa, for admission to the United States (if traveling abroad and seeking re-admission), or for a subsequent extension of stay, change of status, or adjustment of status.
